

HOTEL GEORGIA REDEVELOPMENT PROJECT

General Site Layout and Access Points

Legend:

- Exiting Public Traffic
- Entering Public Traffic
- Two Way Traffic
- One Way Construction Traffic
- Flag Person

Notes:

1. Public access to lane from Dunsmuir to be provided at all times by established two way lane up to the controlled construction access zone.
2. Construction traffic to enter lane from Dunsmuir and exit on to Georgia Street except during the excavation stage when trucks may also enter the lane from Georgia Street and exit on to Howe Street.
3. Qualified flag person(s) will be provided in the lane during construction hours at the Georgia Street and Dunsmuir Street lane access points.
4. Standard construction hours are from 7:00 AM to 4:00 PM Monday to Friday.
5. Gates to be locked outside of construction site hours. Access through locked gates to be facilitated and controlled by full time on site security staff.
6. "No Parking" in the lane to be enforced by the City of Vancouver to facilitate two-way traffic. "No Parking" signage to be provided.
7. No construction traffic is to be allowed to queue in the two way area of the lane.
